We warrant our veterinarian's health diagnosis for 14 calendar days after the puppy leaves our care. We cannot control the exposure your puppy encounters leaving out care. Puppies sometime stress when adopted and are moved to their new home. This stress can be brought on due to the move, change of diet, too much handling, not enough, or eating properly. This stress can bring on things that are dormant; such as but limited to worms, ear mites, colds, hypoglycemia, coccidiosis, and giardiasis. These conditions are all treatable and do not warrant a 75 % refund/replacement.

There is no guarantee on the color or size of the puppy or as an adult.
